

QUAIL CREEK COMPUTER CLUB

November 4, 2020

QCCC Members-

Please note that our Annual Meeting will be held on Tuesday evening, November 17, 2020 at 7:00 PM. Due to the nature of this year's unfortunate events, we must comply with all of the health safety and social protocols so we are not able to hold a live meeting at the Madera Clubhouse as we have for the past many years. The conduct of the meeting will be discussed at our Thursday night Board meeting (11/04/2020) and the manner in which the meeting will be held will be forwarded to you.

Each year Board Members' two year terms are up; this year (for 2021-2022) 4 members will be eligible to be replaced and next year (2022-2023) 3 members will be eligible for replacement. The QCCC By Laws allow for a current Board Member to extend his/her term for an additional two years. The 4 members who are in this category are:

Steve Sanford Current President

Erik RingkjobCurrent Vice President

Rand Hoffman Current Treasurer

Nick Charles Current Board Member

Steve, Rand and Nick have chosen to remain for another term and David Andrew, one of our current Help Session/Open Lab assistant has indicated a desire to become a Board Member. As you can see, we have 4 individuals who desire the open positions. Since there is no need for an election, a motion to approve the 4 individuals by acclamation will be presented at the Annual Meeting.

Also, at the Annual Meeting, the 2021 QCCC Budget Plan will be presented for membership approval.

Here's a little bit of background on our members seeking Board positions.

Steve Sanford

Board member for 2 years, elected as Board President for 2019-2020. Retired Marine Corps Colonel and Naval Aviator. 40 years of flying. Technical background is self-taught.

Rand Hoffman

Respected former and current Board Member. Extensive experience as a QCCC instructor and Help Session assistant.

Nick Charles

Respected former current Board Member. Has been associated with the QCCC since its inception. Extensive tech experience: 40+ years with Boeing. Experienced Help Session assistant.

David Andrew

Retired airline Captain. Has been one of our stalwart Apple products Help Session assistant for 2 years.

Thank you for your participation. More detailed information about the Annual Meeting will be forthcoming.

Sincerely,

Steve Sanford

QCCC President
