

QCCC November General Meeting

Date: Tuesday, November 23

Time: 7:00PM

Place: Madera Ballroom

We will start with our annual business meeting: any open Board positions will be filled and we'll get a first look at our 2022 budget.

After the brief business meeting, John Dwyer, Computer Club BOD member, will present a talk entitled "What You Should Know About Windows 11". In addition to discussing some of the new features included in Windows 11, John will discuss the requirements for Windows 11, why some computers cannot be upgraded to Windows 11, and what options you have if your computer is unable to be upgraded.
