

## **QCCC October General Meeting**

**Date: Tuesday, October 17, 2023**

**Time: 6:00PM**

### **Introduction to New Club Website**

**Your Quail Creek Computer Club Board has been working hard over the summer months, especially Mike Dittl. The original website has been with the Computer Club since the club started. Many glitches needed to be fixed, but the overall program was too much to fix.**

**At our last general member meeting, it was put to the members who were in attendance to spend some of the club's funds to replace the current website. Mike researched several website design companies. After analyzing all the pros & cons, the QC Computer Club website was agreed to be redesigned.**

**This new & improved website will be more straightforward for all our members to use. Whether it's to find information, register for a class, or pay your dues.**

**Mike Dittl has worked hard on getting our new website up and running and will share all the new features at this month's meeting. To learn more about the club's new website, join us at the club general meeting on October 17th at 6 p.m. in the QC Clubhouse Crystal Ballroom.**
